In 2019, we are thrilled to offer you a **bigger** and **brighter** experience. Register today and see for yourself why the Midyear Clinical Meeting is consistently ranked one of the top global healthcare meetings across all professions—and is the **MUST-ATTEND** pharmacy event of the year.

# BETTER. FRESHER.

## Content That Is Timely and Relevant

### **NEW!** ASHP Well-Being Collaborative

**SUNDAY, DECEMBER 8**

#### **Evidence-Based Solutions to Promote Well-Being: Empowering Interprofessional Teams to Advance Patient Care**

Join ASHP for an innovative, interactive kick-off to your 2019 Midyear experience—a full day of activities focusing on issues that contribute to professional burnout.

Interprofessional panel participants from the National Academy of Medicine's Action Collaborative on Clinician Well-Being and Resilience will join ASHP members to foster shared solutions and participate in activities to:

- Review the causes of burnout and consequences for patient care providers and patients.
- Explore components of training, composition, and function of interprofessional teams to maximize care.
- Identify evidence-based systems interventions for patient care providers to mitigate risk.
- Share recommendations with ASHP to improve patient care by supporting the well-being of the workforce.

### **UPGRADED!** Integrated Informatics Institute

Advances in technology connect all specialties and facets of both practice and personal life. New this year, the 2019 Midyear Clinical Meeting will feature Integrated Informatics Institute content across the meeting. Sessions include:

- Informatics: The Essential Ingredient to Enable Genomic Medicine
- Capturing the Needs of the 2030 Patient Today: Artificial Intelligence and the New Pharmacy Value Proposition
- Pharmacy Informatics: A Strategic Business Partner and Third Pillar of Pharmacy Practice
- Interoperability: Multi-Site Connectivity Between Smart Infusion Pumps and Electronic Health Records
- Evaluating IV Workflow Automation for Improved IV Room Safety and USP <797> Compliance
- What Alert Fatigue? A Pharmacy-Led Medication Warning Pop-Up Reduction Program
- Standardize 4 Safety (S4S): A New Standard in Medication Concentrations
- Call Me, Beep Me If You Wanna Reach Me! Connecting with Our Patients Through Technology
- Autonomous Delivery: Your Drone Has Arrived!
- I Want That! Technology Innovation 2019
- From Insight to Action: Developing a Data-Driven Culture
- Informatics Pearls 2019: Bytes of Informatics
- Management of Anticoagulation in the Peri-Procedural Period (MAPPP) via App as Active Clinical Decision Support

**NEW! Afternoon of Innovation in Science**  
**TUESDAY, DECEMBER 10**

Come away energized, connected, and informed! This afternoon program will help you consider how science may impact pharmacy in the near future and determine ways you might incorporate exciting innovations into your practice.

Sessions include:

- Autonomous Delivery: Your Drone Has Arrived!
- How Disruptive Innovation Is Changing the Healthcare and Pharmacy Ecosystem

**13+ HOURS! Pain Management Programming**

During the meeting, choose from a variety of sessions focusing on strategies and solutions to address this major public health crisis.

Featured sessions:

- Mind the Gap: Filling in the Holes of All Things Pain
- Treating Chronic Non-Cancer Pain (CNCP) in an Era of Guidelines and Fatal Drug Interactions
- The Cannabis Conundrum: Panacea or Pandora's Box—a Focus on Pain and Mental Health
- This Won't Hurt A Bit: Applying Pharmacogenomics to Pain Management
- The Pain Debates: What ARE the Right Choices for 2020 and Beyond?
- A Roadmap of Over-The-Counter (OTC) and Herbal Analgesic Therapies for Pain
- Let's Be Blunt: Cannabis Clinical and Legal Conundrums
- Does the Bud Stop Here? An Update on Legalization of Medicinal Cannabis and Impact on Pharmacy Practice
- Medication-Assisted Treatment for Opioid Use Disorder (OUD): Solving the Puzzle with Clinical Pharmacist Providers
- Addressing Opioid Use Disorder and the Overdose Epidemic at an Urban Academic Medical Center
- Contemporary Issues with Cannabinoids

# BROADER. SMARTER.

## More Featured Programming for 2019

### Programming for Small & Rural Hospital Practitioners

Focusing on the unique challenges facing pharmacists in small and rural hospitals, this half day of sessions include:

- Small and Rural Keynote: The Changing Landscape of Rural Hospitals
- Integrating Students and Trainees into Pharmacy Clinical Services in the Small and Rural Setting
- Small But Mighty: Improving Safety with High-Alert Medications
- The Joint Commission Update 2019: Focus on Small and Rural Hospitals

**Every pharmacist should go to the Midyear Meeting at least once, but I recommend it to all my peers as an annual professional development event.”**

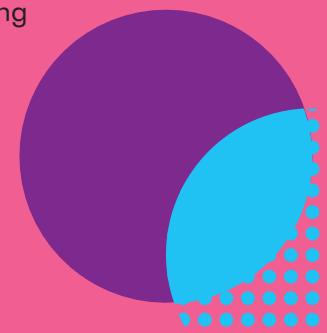

*– 2018 attendee survey response*

### CE Power Hour—Every Day

Don't miss out on the final hour of programming each day—it's amazing what you can learn in a short period of time. Rev up your educational pursuits with these Power Hour choices:

#### MONDAY

- Critical Skills: A Case-Based Approach to Immunotherapy-Induced Medical Emergencies in Non-Oncology Settings
- Alcohol Use Disorder: Integrating Pharmacotherapy in Transitions of Care and Primary Care
- Navigating Cost and Revenue Challenges in the Infusion Center
- Now We Got Bad Blood: Treatment of Bloodstream Infections
- Preventing Burnout Through Work Design: A Primer for Healthcare Leaders
- What Alert Fatigue? A Pharmacy-Led Medication Warning Pop-Up Reduction Program
- This Won't Hurt A Bit: Applying Pharmacogenomics to Pain Management
- Turning Challenges into Opportunities: Dealing with Difficult Residents

## TUESDAY

- Self-Care Considerations in Older Adults: Integrating Complementary and Alternative Medicine
- The First Order: Detecting and Overcoming Resistant Hypertension in Ambulatory Care
- Managing the Crisis You Didn't Prevent: Leadership and Medication Safety
- Conflict Resolution: Strategies for the Practicing Pharmacist and Pharmacy Technician
- Home to Stay: Successful Transitions for Patients on IV Therapy
- Water, Water, Everywhere, But Not a Drop to Drink: Distribution of Intravenous Fluid Administration
- The Rise of the Biosimilars: Increasing Use on a Broad Scale

- 
- Let's Gain Control: Update on Status Epilepticus Treatment in Adults and Pediatrics
  - You Don't Know How It Feels: Empathic Communication Skills for Pharmacy Practice
  - Infectious Diseases Hot Topics 2019

## WEDNESDAY

- Goldilocks and Gram-Negative Resistance: Getting Stewardship Just Right
- Up in Smoke: The Facts and Fiction Surrounding Vaping
- Management of Anticoagulation in the Peri-Procedural Period (MAPPP) via App as Active Clinical Decision Support
- Here's the DIRT (Drug Investigation Response Team): Improving Diversion Detection Strategies

## Events for Pharmacy Technicians

If you're a pharmacy technician, this is your opportunity to develop your potential while networking with colleagues at the world's largest gathering of pharmacy professionals. Educational sessions at the Midyear satisfy the requirement pertaining to pharmacy-related subject matter and are acceptable for certified pharmacy technicians. Sessions specifically designed for pharmacy technicians are designated with a "T" following the ACPE number.

# WIDER. STRONGER.

## More Opportunities to Develop Your Network

No other pharmacy event offers you so many opportunities to connect with a broad range of peers, alumni, future colleagues, and pharmacy leaders. In addition to structured networking sessions and events conducted as part of the meeting, alumni receptions, business meetings, and affiliate events are often held during the Midyear. It's where professional relationships are built and maintained.

### Roundtable Discussion and Poster Session

#### SUNDAY, DECEMBER 8

Exclusively at the Midyear Clinical Meeting, attendees can participate in dual Networking and Poster Sessions. This unique dual event will showcase research, networking, and discussions of current clinical issues with those who practice in the same discipline.

Networking and Poster sessions include:

- Pediatrics/Neonatal
- Emergency Care
- Ambulatory Care
- Critical Care

### Exhibit Program

Over 100,000 sq. feet and approximately 350 exhibitors await you at the largest pharmacy exhibit program! Immerse yourself in an exhibit hall featuring the latest product developments and technological advancements. This is your opportunity to compare products, attend demonstrations and product theaters, and have questions answered from the most innovative domestic and international companies. Visit the Midyear website for a complete listing of exhibiting companies.

|                  |                        |
|------------------|------------------------|
| Monday – Tuesday | 11:00 a.m. – 3:00 p.m. |
| Wednesday        | 11:00 a.m. – 2:00 p.m. |

**I attend the [Midyear Clinical Meeting] because it's the only place I can reconnect in person with all my peers from across the country, attend exclusive pharmacy events, and choose from hundreds of hot topics."**

*– 2018 attendee survey response*

### **Personnel Placement Service (PPS)**

Staged during ASHP's Midyear Clinical Meeting, PPS is the industry's largest and most widely attended national pharmacy recruitment event. Hosting more than 3,000 pharmacy candidates and nearly 400 employers, PPS is where pharmacy residency, fellowship, and employment connections are made.

#### **Participation in PPS includes:**

- Resumé posted on the PPS website.
- Job search functionality to find hiring employers that match your desired criteria.
- Full messaging and scheduling/calendar capabilities.
- On-site private interviews with potential employers.

Visit [midyear.ashp.org/pps](https://midyear.ashp.org/pps) to participate.

### **Residency Showcase**

Monday, December 9: 1:00 p.m. – 4:00 p.m.

Tuesday, December 10: 8:00 a.m. – 11:00 a.m.

1:00 p.m. – 4:00 p.m.

The ASHP Residency Showcase is the largest and most popular program for prospective pharmacy residents. Chat with hundreds of program representatives onsite who are eager to meet you, discuss their opportunities, and respond to your interests and concerns. The Showcase spans two days but each program will only be available during one of the three time slots so plan ahead! Business dress is recommended.

**The Residency Showcase is for individuals pursuing residency positions in 2020.**

#### **Visit [midyear.ashp.org](https://midyear.ashp.org) to:**

- Learn which programs will be at the Showcase.
- View the floor plan.
- Get tips for success.

# BRIGHTER. BOLDER.

## Midyear Welcomes Two Special Guests

### **No Higher Honor: A Conversation with Condoleezza Rice** **Monday, December 9, 9:00 a.m. – 10:30 a.m.**

Condoleezza Rice is currently the Denning Professor in Global Business and the Economy at the Stanford Graduate School of Business, the Thomas and Barbara Stephenson Senior Fellow on Public Policy at the Hoover Institution, and a professor of Political Science at Stanford University. She is also a founding partner of RiceHadleyGates, LLC.

From January 2005 to 2009, Rice served as the 66th Secretary of State of the United States, the second woman and first African American woman to hold the post.

Secretary Rice will talk about her upbringing, her time in the White House, and the challenges of leadership in tumultuous times.

### **Wednesday Morning with Julia Louis-Dreyfus** **December 11, 9:45 a.m. – 10:45 a.m.**

For the first time ever at Midyear, we are excited to offer a new special event, "Wednesday Morning Motivation," to kick-start the last full day of the meeting. Award-winning actress and breast cancer survivor Julia Louis-Dreyfus will speak.

# LIGHTS. ACTION.

## Las Vegas Has It All

Always a record-breaking destination, Las Vegas offers housing and entertainment options to fit every individual's unique taste and budget. Midyear meeting attendees and exhibitors will experience pharmacy's biggest event, with its brightest minds, in one of the most exciting cities in the world with endless entertainment options.

The majority of the Midyear meeting's sessions and events will take place at the expanded and completely updated **Mandalay Bay Convention Center**. You can expect updated and additional guest rooms, more conference space, better amenities, and new entertainment options just steps away from the meeting!

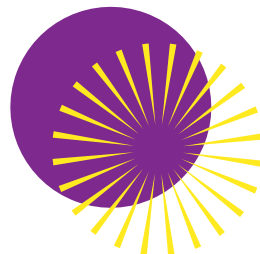

## BIGGER. VALUE.
