

## Hotel Health and Safety Information and Resources

ASHP is continuously working with the Orange County Convention Center, the city of Orlando, and our hotel partners to provide every precaution necessary to ensure a safe and productive experience. Below are a few resources regarding the health, wellness, and cleanliness policies and protocols of our hotel partners. With protocols changing frequently, please continually review the hotel’s website for the most up-to-date health/safety guidelines and practices.

Hotel amenities and services may also be limited or reduced to maintain health and safety guidelines and best practices. Be sure to check with your hotel directly prior to arrival.
