## ASHP Section of Pharmacy Informatics and Technology

### Educational Programming

---

- **The Future of Pharmacy Is Closer than You Think: Using Health Information Technology**  
Sunday, Dec 5 | 8:00 a.m. – 9:00 a.m.
- **Five Years Later: Lessons Learned in Building a Pharmacy Analytics Program**  
Sunday, Dec 5 | 9:30 a.m. – 10:30 a.m.
- **Beyond Face to Face: Leveraging Technology to Advance Patient Care**  
Sunday, Dec 5 | 11:00 a.m. – 12:00 p.m.
- **Clinical Decision Support Documentation: Let's Tell A Story**  
Sunday, Dec 5 | 1:00 p.m. – 2:30 p.m.
- **Informatics Gems 2021: Resident & New Practitioner Bytes of Informatics**  
Sunday, Dec 5 | 2:30 p.m. – 3:30 p.m.  
(NOTE: This session is intended for residents and new practitioners.)
- **Pull That Thread: How a Little Data Enables a Big Change**  
Sunday, Dec 5 | 3:45 p.m. – 4:45 p.m.
- **Ethics of Big Data: Values and Today's Data Technology in Pharmacy Practice**  
Monday, Dec 6 | 2:00 p.m. – 3:30 p.m.
- **What Pharmacists Need to Know about Artificial Intelligence**  
Monday, Dec 6 | 4:00 p.m. – 5:00 p.m.
- **Data in Action: Tactical Strategies to Leverage Data to Drive Results**  
Tuesday, Dec 7 | 10:00 a.m. – 11:00 a.m.
- **Alarmed and Dangerous: Strategies to Improve Clinical Decision Support Medication Alerts in the ICU**  
Tuesday, Dec 7 | 2:00 p.m. – 3:30 p.m.
- **Providing Actionable Data to Pharmacy Staff to Improve Performance and Outcomes**  
Tuesday, Dec 7 | 4:00 p.m. – 5:00 p.m.
- **Radio Frequency Identification (RFID): Envisioning the Supply Chain and Medication Use Process of the Future**  
Wednesday, Dec 8 | 8:00 a.m. – 9:15 a.m.
- **Informatics Pearls 2021: Gigabytes of Informatics**  
Wednesday, Dec 8 | 10:00 a.m. – 11:00 a.m.

- **I Want That! Technology Innovations 2021 — Digital Health**  
Thursday, Dec 9 | 10:30 a.m. – 12:00 p.m.
