ashp[®]
MIDYEAR2022
Clinical Meeting & Exhibition

Register today at midyear.ashp.org

MORE Reasons Than Ever to Attend

The Midyear is much more than a meeting. It's a career-driving, skill-building, confidence-boosting experience like no other in the world of pharmacy. And this year will be a big, celebratory reunion. Your time in Las Vegas will be filled with:

- MORE THAN 175 HRS OF EDUCATION
- NETWORKING
- RESIDENCY SHOWCASE
- PERSONNEL PLACEMENT SERVICE (PPS)
- POSTERS AND ROUNDTABLES
- INNOVATION AND EXHIBITS
- BOARD CERTIFICATION
- SPECIAL PROGRAMMING
- WORLD-CLASS SPEAKERS
- UNSURPASSED OPPORTUNITIES

**DON'T WAIT
TO REGISTER!**

**early bird
ends Oct. 14.**

Pharmacy Is BETTER TOGETHER

The lights of Las Vegas will shine bright on our attendees at the much-anticipated return of the biggest and best pharmacy event in the world! This December 4 – 8, join fellow pharmacy professionals from all over the globe for experiences that are even more valuable in person.

Pursue professional development and earn CE hours.

Meet great people and expand your network.

Enhance and update your practice skills.

Stay current with the latest products and innovations.

The Midyear Clinical Meeting is consistently ranked one of the top global healthcare meetings across all professions, and is the MUST-ATTEND pharmacy event of the year. We are thrilled to finally be back in person to deliver a Midyear experience that you can't afford to miss.

“

I ATTEND [MIDYEAR CLINICAL MEETING] BECAUSE

it's the only place I can reconnect in person with all my peers from across the country, attend exclusive pharmacy events, and choose from hundreds of hot topics.

”

Knowledge, Skills, and Insight

Select from more than 175 interactive educational opportunities that have been developed to enhance your knowledge, skills, and expertise. Experts from across the country and around the world will offer their insights on issues relevant to contemporary pharmacy practice.

Featured Programming

Diversity, Equity and Inclusion

- We Can't Talk About That at Work! How to Foster More Inclusive Conversations and Work Environments
- Oversimplification of Race in Practice and Education: Dangers, Consequences, and Impacts on Racism in Medicine
- Strategies for Culturally Effective Care: Diverse and Tailored Health Communication and Patient Education
- Diversity, Equity, and Inclusion: A Focus on Disability Culture and the Cost of Fitting In

Health & Wellness

Get the support and ideas for best practices that can help you overcome the stress of new and evolving demands on your practice, concerns of the ongoing pandemic, and the challenges of drug and staffing shortages.

- Going Below the Surface: Addressing Systematic and Underlying Issues Impacting Resident Well-Being
- Well-Being and Resilience in the Rural Pharmacy Workforce
- Be Well to Lead Well: Identifying and Addressing Leadership Burnout in Healthcare

- Learn to Love the Unknown: Build Your Resilient Response to the Unexpected
- It's Okay If You're Not Okay: Supporting Well-Being and Resilience
- When the Patient Is the Offender: Supporting Employees and Learners
- Survey Says ... Implementing an Organizational Well-Being Program
- Creating SPaCE for Workforce Well-Being in a (Post) Pandemic Moment
- ASHP Well-Being Ambassador Program: Local Interventions to Address Occupational Burnout
- Results from 2022 Well-Being and Resilience Survey
- Re-Centering During Times of Transition
- Hit the Reset Button: Mastering MindSET, HeartSET, SoulSET and SkillSET in Your Practice

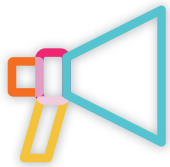

For a complete schedule and listing of all sessions, titles, presenters, and learning objectives, go to the Education menu at midyear.ashp.org.

“

EVERY PHARMACIST SHOULD GO TO THE MIDYEAR MEETING

at least once, but I recommend it to all my peers as an annual continuous professional development event.

”

450+
Speakers

175+

- tPA vs. TNK, Amp-C and SGLT2 Inhibitors! An Alphabet Soup of Therapeutic Update
- Back to Basics: Understanding Common Lab Values
- Drug Information: Where to Search When You Need It

EVENTS FOR PHARMACY TECHNICIANS

Take this opportunity to develop your potential while networking with colleagues at the world's largest gathering of pharmacy professionals. Educational sessions at the Midyear satisfy the requirement pertaining to pharmacy-related subject matter and are acceptable for certified pharmacy technicians. Sessions specifically designed for pharmacy technicians are designated with a "T" following the ACPE number.

PLAN NOW TO ATTEND!
early bird rates end Oct. 14.

Integrated Informatics Institute

Informatics Institute content reflects the connections between technological advances, pharmacy specialties, and facets of both your practice and personal life.

- Rise of The Machine: Empowering a Diversion Monitoring Program Using Machine Learning
- Data in Action: Building a Pharmacy Data Analytics Strategy
- Digital Health 101: Interventions for Maximum Pharmacist Impact
- The Time Is Now: Advancing Technician Roles in Informatics
- Betting on Safety: Medication Safety Dashboard Metric Design
- Advancing Formulary Improvement Through Metrics, Monitoring, and Analytics
- Informatics Pearls 2022: Gigabytes of Informatics
- Informatics Gems 2022: Resident & New Practitioner Bytes of Informatics
- Validated Artificial Intelligence: The Future of Pharmacy and Its Applications
- Why Isn't IV Workflow Technology in Every U.S. Hospital?

MORE Networking and Personal Connections

Enjoy hundreds of opportunities to connect with peers, alumni, future colleagues, and pharmacy leaders. In addition to many structured networking sessions and gatherings that are part of the event, you'll find myriad alumni receptions, business meetings, and affiliate events going on during the Midyear.

Roundtable Discussion and Poster Sessions

Sunday, December 4

Exclusively at the Midyear, these combination sessions bring together those who practice in the same discipline for networking and discussions of current clinical issues. Don't miss Roundtable and Poster Sessions for:

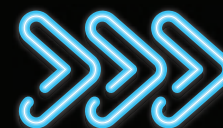

- Pediatrics/Neonatal
- Ambulatory Care
- Emergency Care
- Critical Care

Roundtables

Join conversations that are important to you and related to your specialty. Dozens of topics will be discussed, including:

- Controlled Substance Diversion—Mitigation and Management
- Investigational Drug Services
- Pain Management and Palliative Care
- Drug Policy and Clinical Leadership
- Emerging Sciences and Pharmacogenomics
- Infectious Diseases and Antimicrobial Stewardship
- Women in Pharmacy Leadership
- Workforce Recruitment and Retention

Visit midyear.ashp.org for the complete schedule of 49 roundtable sessions.

**RELAX WITH COLLEAGUES
AND MAKE NEW FRIENDS AT
THE WELCOME RECEPTION
AND OTHER NETWORKING
EVENTS.**

**“ YOU WOULD HAVE TO
ATTEND 5 OR 6 MEETINGS**
to get the same opportunities
that you can get at the [Midyear
Clinical Meeting]. **”**

MORE Innovation

Explore more pharmacy innovation than anywhere else! See the latest product developments and technological advancements from 350+ exhibiting companies, both domestic and international. Compare products, attend demonstrations and product theatres, and have your questions answered. **Visit midyear.ashp.org for a list of exhibiting companies.**

EXHIBIT PROGRAM

Monday – Tuesday 11:00 a.m. – 3:00 p.m.
Wednesday 11:00 a.m. – 2:00 p.m.

MORE Possibilities

Personnel Placement Service (PPS)

Make invaluable connections at the industry's largest and most widely attended national pharmacy recruitment event. Hosting more than 3,000 pharmacy candidates and nearly 400 employers, PPS is the epicenter of pharmacy residency, fellowship, and employment connections.

Participation in PPS includes:

- Your resume posted on the PPS website
- Job search functionality to find hiring employers that match your desired criteria
- Full messaging and scheduling/calendar capabilities
- On-site private interviews with potential employers

Sign up for PPS at midyear.ashp.org.

Residency Showcase

If you're pursuing a residency position for 2023, don't miss this opportunity to make a stronger impression by meeting and chatting with program reps in person. You'll meet more reps from more programs at the Midyear than any other event for prospective pharmacy residents. Business dress is recommended.

Monday, December 5 1:00 p.m. – 4:00 p.m.
Tuesday, December 6 8:00 a.m. – 11:00 a.m.
 1:00 p.m. – 4:00 p.m.

While the Showcase spans two days, each program will only be available during one of the three time slots—so plan ahead!

Learn what programs will be at the showcase, get tips for success, and view the floor plan at midyear.ashp.org.

The MORE, the Merrier

The last time the Midyear Clinical Meeting took place in Las Vegas, we had record-breaking attendance! That's because Las Vegas offers endless entertainment and housing options to fit every individual's unique taste and budget, as well as nonstop flights from dozens of cities.

The majority of the Midyear meeting's sessions and events will take place at the luxurious Mandalay Bay Resort and Convention Center. You can expect clean and contemporary guest rooms, a safe and secure conference space, comprehensive health and safety precautions and amenities, and new entertainment options just steps away from the meeting!

Visit midyear.ashp.org for a list of hotels and our attendee discount rates.

REGISTER EARLY & SAVE

VIP (Very Important Pharmacist) early bird rates will be available until October 14. Online registration closes on December 2.

Not a member? Join ASHP before you register to save more than the cost of your membership!

Get MORE From Your Trip

Come early for exclusive activities offered to full-meeting registrants of the Midyear.

Pre-Meeting Workshop:

Residency Program Design and Conduct (RPDC)

Saturday, December 3

8:00 a.m. - 5:00 p.m.

Choose one of four workshops—for new or existing, PGY1 or PGY2 programs. Additional fee required (\$395).

Board Certification Activities

Live Pharmacotherapy Review and Recertification Course

December 3 - 4

Join high-level peers, well-known faculty and content matter experts for in-depth board certification review or recertification activities. Additional fee required.

Intensive Studies and Clinical Sessions

December 5 - 7

Explore contemporary and emerging issues within your specialty and earn 4 to 6 hours of BPS-approved recertification credit. Intensive Studies or Clinical Sessions packages available for: Ambulatory Care Pharmacy (BCACP), Critical Care Pharmacy (BCCCP), Geriatric Pharmacy (BCGP), Oncology Pharmacy (BCOP), Pediatric Pharmacy (BCPPS), and Pharmacotherapy (BCPS). Any Midyear learner may attend the live sessions; however, attendees seeking recertification credit must register for a package for an additional fee.

MAKE YOUR PLANS NOW

What happens when 20,000+ pharmacy professionals from all over the globe come together after three years apart? You get the biggest exchange of pharmacy expertise, ideas, and innovation in the world—far MORE than the sum of its parts. And it's all happening again in Vegas—one of the most exciting cities in the world!
