

Hotel Health and Safety Information and Resources

ASHP is continuously working with the Mandalay Bay Convention Center and our hotel partners to provide every precaution necessary to ensure a safe and productive experience. Below are a few resources regarding the health, wellness, and cleanliness policies and protocols of our hotel partners.

Hotel amenities and services may also be limited or reduced to maintain health and safety guidelines and best practices.

Please see below to discover which amenities will be available to enjoy during your visit. With protocols changing frequently, please continually review the hotel’s website for the most up-to-date health/safety guidelines and practices.

Be sure to check with your hotel directly prior to arrival.

Additional Resources

- **Las Vegas**
 - Effective Feb. 10, 2022, the State of Nevada has lifted mask mandates, including in resorts and casinos, restaurants, bars, showrooms and meeting spaces. Masks are still recommended for individuals who are not fully vaccinated, those with underlying health conditions and in healthcare facilities.
 - Masks are still required on all public transportation and transportation hubs per [CDC guidance](#).
 - In November 2021, the United States lifted pandemic travel restrictions allowing fully vaccinated foreign nationals to travel to the country. For updates on international travel, visit [CDC.gov](#), and the [Airlines Travel Advisory for International Visitors](#).

- More information is available on the following websites:
 - [COVID-19 Test Locations](#)
 - [Nevada Health Response](#)
 - [Southern Nevada Health District](#)
 - [Harry Reid International Airport](#)
 - [CDC Travel](#)
 - [The U.S. Department of State](#)

- [Book your Midyear meeting hotel](#) through Orchid.Events, ASHP's only official housing provider, to receive special low room rates and exclusive benefits.

- [2022 Midyear meeting website](#), for the latest updates and information on the Midyear meeting.
