

2025 ASHP Midyear Intensive Studies for Recertification

Please note: Continuing Pharmacy Education Credit can be claimed by following general Midyear CE processing instructions.

The information below is intended for pharmacists seeking recertification credit, in one of these areas:

- **Pharmacotherapy, BCPS**
- **Compounded Sterile Preparations Pharmacy, BCSCP**

Several ASHP Midyear Clinical Meeting sessions were developed as a part of ASHP's professional development program for recertification of board-certified pharmacists. These activities are approved by the Board of Pharmacy Specialties (BPS). A range of 4 to 6 hours of credit may be earned, depending on the specialty.

How does this work?

1. You must purchase the desired recertification package (BCSCP, BCPS) by **December 10 at 12:00 PM Pacific Time**. This is in addition to Midyear registration.
2. Participate in the live sessions during the ASHP Midyear Clinical Meeting. The recertification package, including recorded sessions and assessments, will be available online for all of the sessions in your selected specialty.
3. The assessments will be available online December 17, 2025 to December 15, 2026. To earn recertification credit, complete and **pass the recertification assessment(s)** for the desired specialty/session(s).

Note: If you are currently enrolled in the Pharmacotherapy 1-Year Recertification Plan, 3-Year Recertification Plan, or the RRRP, the Intensive Study Package of your selected specialty is included as part of your enrollment.

Have you already purchased your recertification package?

In order to claim recertification credit, you must have purchased the recertification assessments in addition to your Midyear registration.

Please use the following option to purchase the package:
