Staff Registration

All speakers, moderators, and organizer's staff for Satellite Symposia must be [registered for the ASHP Midyear Clinical Meeting](#) and must be wearing their ASHP meeting badges in order to be admitted to the meeting room. The organization coordinating the Satellite Symposium is responsible for ensuring all speakers, moderators, and staff are registered in advance of the session. A one-day meeting registration rate is available.

Signs

One professionally produced sign, not to exceed 30" x 40", may be displayed outside your assigned meeting room. ASHP does not permit the distribution or placement of symposium flyers or signs in any other area of the convention center (with the exception of the organizer's or commercial supporter's exhibit booth) or the hotels. ASHP reserves the right to discard signs and flyers of any organization violating this policy.

Symposium Promotion

Printed material must be reviewed and approved by ASHP. Activity brochures, signage, and other printed material must include the following phrase: "A Symposium conducted at the 2026 ASHP Midyear Clinical Meeting & Exhibition." No other phrase or reference to ASHP or the ASHP Meeting is permitted. Activity organizers may not use the ASHP logo or ASHP meeting graphics on symposium materials and may not list ASHP as a co-sponsor of the activity.

Invitations and/or other printed program information must indicate that seating at the program is limited. If you are preregistering attendees, printed material must also indicate that preregistration is for planning purposes only and seating will be available on a first-come, first-served basis. Be sure to consult with ASHP prior to printing meeting room names, as they may not be final at the time you print your materials. Visit our [advertising and marketing page](#) to learn more about lead retrieval, renting mailing lists, coordinating door drops, and other promotions.

Program information will be published in ASHP materials according to the scheduled deadlines. Programs submitted and approved by **August 12** will be included in the October 15 meeting edition of *AJHP (American Journal of Health-System Pharmacy)*.

CE Credits

All commercially supported symposia must offer ACPE-approved continuing pharmacy education credit. It is the responsibility of the organization responsible for planning and conducting the program to arrange for an ACPE-accredited provider to serve as the provider for the program. ASHP will not assume responsibility for providing continuing education credit for a commercially supported symposium. A commercially supported symposium must be conducted in accordance with the ACPE criteria for Quality, the ACCME Standards for Commercial Support, and the FDA Guidelines for Commercially Supported Scientific and Educational Activities.

Approval and Confirmation

All applications are subject to approval by ASHP. Confirmation of assigned day and meeting room will be available online after the application has been submitted and processed. Applications are processed on a first-come, first-served basis, and requests for a specific day are honored to the extent possible. A representative from the assigned meeting hotel will contact you directly to begin planning your event. The approval process may take up to 10 business days to complete. A letter from the commercial supporter confirming funding of the symposium must be emailed to Michelle Rasnick Tyler at mrasnickytyler@ashp.org. This letter must be on the commercial supporter's letterhead and must be received the same day as the application is submitted.
